IMPORTANT PDMP POLICIES

- ▶ Everyone should understand a very IMPORTANT PDMP POLICY:
 - ▶ According to State Law: Prescribers may only run checks on their own patients. Essentially this means that you must have a legitimately established prescriber–patient relationship with the people that you run checks on with the PDMP.
- 

Important PDMP Policies

- ▶ DO NOT RUN CHECKS OF PEOPLE with whom you do not have a prescriber–patient relationship with.
 - ▶ State Law makes the misuse of PDMP information a felony crime in Hawaii!
 - ▶ All actions, requests, searches and views in the PDMP system are recorded.
- 

Before You Start

- ▶ Gather the necessary information that you will need during the registration process
 - ▶ Your Hawaii Professional License to Practice Number (MD, APRN, Dental, Veterinary, Podiatry, Pharmacist)
 - ▶ Your DEA and State Controlled Substance Registration Numbers
- 

Most Importantly

- ▶ Everyone needs an email address that is accessible to them while at work!
 - ▶ DO NOT use an email for your PDMP registration that you either do not have work access to, or that will be blocked by your organization's firewall.
 - ▶ This is important because you will be asked to verify your email address during the registration process

Patient Requests

- ▶ Go to “Menu” along the top ribbon
 - ▶ Then Patient Requests
 - ▶ On the Patient Request screen, enter the information on the required fields (red *)
 - ▶ Required information: Name and Date of Birth of the patient and the date range (within last 5 years)
- 

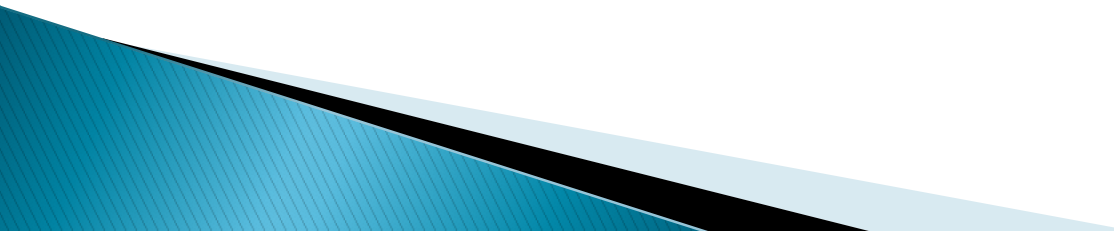

DELEGATES

- ▶ A Delegate is a member of the prescriber's staff who is authorized to check the PDMP on behalf of the prescriber
- ▶ Can be anyone whom the prescriber *TRUSTS* to act for them including: nursing staff, other prescribers or healthcare workers, office staff, etc.

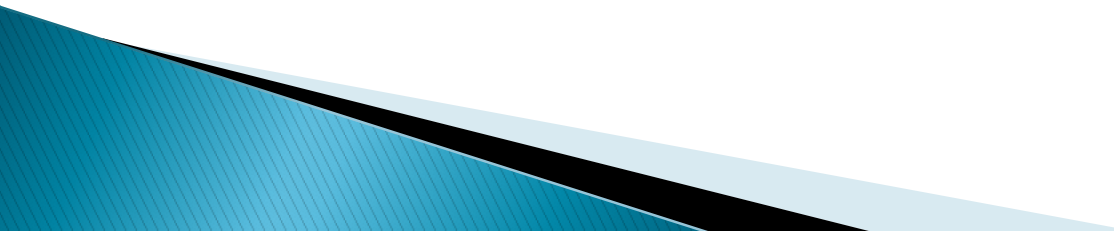

DELEGATES

- ▶ The State allows prescribers to appoint “Delegates” who can check the PDMP on behalf of the prescriber.
 - ▶ To do this, the delegate needs their own WORK accessible email and the email of the supervising prescriber who will appoint and authorize the delegate.
- 

When a Delegate Wants Access

- ▶ The supervising prescriber will get an email from the system administrator confirming that a delegate has asked for access and for the supervisor to confirm,
 - ▶ The process to apply for access is nearly the same. Once authorized, supervisors will be able to terminate a delegate's access or appoint more delegates at any time.
- 

Delegates

- ▶ Delegates receive their own unique access and use their own passwords,
 - ▶ **THE STATE ALLOWS PRESCRIBERS TO APPOINT ANY NUMBER OF DELEGATES AND TO TERMINATE ANY DELEGATE AT ANY TIME.**
 - ▶ SUPERVISING PRESCRIBERS ARE RESPONSIBLE FOR THEIR DELEGATES *(So APPOINT CAREFULLY!!)*
